Delwaide Avocats Advocaten is a boutique Belgian law firm focused on financial regulations and business law. Our practice mainly focuses on assisting financial institutions (banks, stockbrokers, asset managers, etc.) with various matters affecting their day-to-day business. We advise our clients on a wide array of issues such as compliance with regulatory requirements, obtaining the required authorisations and licences from regulators, and the distribution of financial services and products.

We are looking for a junior associate to join us and help us grow the business.

Your profile

- Belgian Master Degree in Law;
- Strong interest in financial law or business law (an LLM or a master’s degree in business law or financial law is a plus although not a requirement);
- 0-3 years of professional experience;
- Good academic results;
- Excellent knowledge of Dutch;
- Willing to learn and to quickly take on matters autonomously.

What we offer

- Attractive remuneration in line with market practice;
- Dedicated training by the lawyers of our firm and access to continuous learning opportunities;
- Great exposure to high-profile clients;
- A flexible working environment and attention to work/life balance.
