

FULL-TIME RESEARCH AND TEACHING ASSISTANT POSITION IN COMPUTER SCIENCES

FACULTY OF SCIENCES

Reference : 2018/S006

Application deadline: 01/06/2018

Start date : 01/10/2018

Job Description

This teaching assistant position requires you to, on one hand, supervise of exercise sessions and practical works (240h per year) for courses in the Bachelor and Master programs in Computer Science and/or Computer Science courses in the Master program on Bioinformatics and Modelling. On the other hand, you will have the opportunity to establish research activities in one of the research fields of the Computer Science Department. The applicant is required to perform high-quality research under the supervision of one of the professor of the Department in order to obtain the degree of PhD. Before applying you should establish a research agreement with one of the professors (see <http://www.ulb.ac.be/facs/sciences/info>).

Skills required

- High quality scientific skills in Computer Science or related field.
- Good pedagogical skills.
- Good social skill to ensure good integrations with the teaching teams.
- Punctual and trustworthiness in the execution of logistic skills.
- Excellent knowledge French and a good level of English.

Courses covered

Exercises and personal works for different computer science courses organized in the Bachelor and Master programs in Computer Science and/or the Computer Science courses of the Master program in Bioinformatics and Modelling.

Interested ?

For more information, please contact Professor Tom Lenaerts, President of the Computer Science Department (phone: +32 2 650 60 04 – fax : +32 2 650 56 09 – email : Tom.Lenaerts@ulb.ac.be) Applications must be sent by e-mail to the rectorate of the Université Libre de Bruxelles (recteur@ulb.ac.be) and to the faculty (agerlach@ulb.ac.be).

They must include the following :

- a motivation letter
- a Curriculum vitae including a list of publications (a cv template can be downloaded at <http://www.ulb.ac.be/tools/CV-type.rtf>)
- a note on the applicant's PhD research project (max. 4 pages)
- two reference letters

By sending in their application, applicants acknowledge they have read and understood the additional information and the regulations relevant to research staff, available at the following address <http://www.ulb.ac.be/emploi/academique.html>.

EURAXESS SPECIFIC INFORMATION

Type of contract : temporary

Hours per week : 38

Main Research Field : 9. Computer Sciences

Required educational level: Master level in 9. Computer sciences

Required Languages :

- Français : (Excellent-native)
- English : (good)

Career Stage: Early stage researcher (0-4 ans)
