Suggested New Structure for the UNICA Bologna-Laboratory

**University Outreach**  Empowering member institutions to engage with society at large and communicate the vital social functions.

**University-enterprise partnership – employability**  Establishing a fruitful dialogue with the world of enterprise.

**Didactics and learning in the context of lifelong learning**  The creation of educational institutional profiles.

**Anchoring the Bologna Process**  Learning from each other. Adaptation of administrative processes.

**The UNICA capital dimension**  Accentuation of the role and profile of UNICA institutions as capital institutions be accentuated for the benefit of the network.
